

Intimate Care Permission Form

Nappy Changing and Clothes Changing Agreement:

In order to best meet the needs of your children when they are with us we would like to set up an individual agreement between parents/carers and the school with regard to intimate care.

Intimate care is any care which involves washing, touching or carrying out an invasive procedure which children are unable to do for themselves, arising from the child's stage of development. Intimate care may involve helping with drinking, eating, dressing, toileting or comforting.

In most cases at school intimate care will involve procedures to do with personal hygiene. Staff at **xxxxxxx Primary School**, providing intimate care are aware of the need to adhere to good Child Protection practice in order to minimise the risks for both children and themselves. All staff are supported and trained so that they feel confident in their practice.
